SUMMARY

Please use the spell-check and grammar check before submitting your summary. Your summary should be 1- to 3-page long. The topic, the approach, and the results must be clear. The conclusions to be drawn from your contribution must be clear. Keep it brief, yet informative to capture readers' attention. Avoid abbreviations and jargon. Think about how people interested in the topic would search and find your study.

KEYWORDS

Please provide a maximum of five keywords which reflect the content of the summary
